## INQAKU LOMHLELI ZILUNGISELELENI

### IIHOLIDE

Inyanga yokugqibela yonyaka ilike ngokusemthethweni. Esi silyosetha lokuqala okanye uzigwebe, koko limesha lokubuyela emva kwinkumbulo, uye phambili, ujonge amaxesha abumandl, uthi xha okomzwana.

Kwabanye lo ibe ngunyaka weningeni, kwabanye iKresimes ilike phambi kwexesha kakhulu. Kwabo lo nyaka ungakhange ube mihle inye kuphela into endokuyithetha kubo, uThixo akanilidanga! Neleni ixesha liza kufika kwaye liza kuba khona iKhanekeliso. Subeni kuba uThixo eningene kwesha kwelapha Akasize andanise, okanye anilathale.

Ngemva yesigqibo esithayetha nguThixo ezinye iintsaqo azizukulitha nentsapho zabo eli thuba leKresimes. Isigqibo sikaThixo asiyompazano. Uayazi into ayenzayo! Kwabo balathalelele ngamnye amalungu eentsapho zabo mazazi ukuba abo bakanye nabo emoyeni.

Iiholide ezininzi zikawekwe-works zingemveliseki, ukugqibela kulweshitani umhla we-16 Disemba, olusuka lwesibini olungxelo mthethweni olubizwa ngokuba yi- "Day of outdoor, picnic and braais".

Ku kumele ukuba kunike impeleki ende emandleni ukuba anizi kuthatha kheli kulo nyaka. Umhla wama-27 Disemba nawo lusuka lweholide kawonke-wonke. Injani ke lo nto?

Iiholide zikaDisemba zaziwa ngokwahlukana okwexesha kwabathathayo (Andibekisi kwe!) Bada ngokubuyela ngelinyelidala - Siz kuba noku ngobani abaza kwahlukana babuyela kulo nyaka uyo. Uncede uzigqithe kakuhle ngexesha leholide ukwenza ukuba ungabi ngonyame wabo bazi kuxakeka ngoJanyuwari befuna ukubuyela!

Amanweni neendawo zepiknikhi ziza kuzala ziphume, indlela ziza kuxakeka, kodwa ulume: amagosa ezomthetho namapisa ayakabamba abantu abasela uywela esilindaleni, ngeli lina amagosa ezendlela nawo dabamba abantu abaqhuba ngokungakhathali okanye baqhubise kwisanta esisimileyo. Ndiyaqakutshaza bonke abaza kuzi eholideyini baqhuba ngononolelo.

Ngalo lonke ixesha jonga abanye abaqhubi nabantu abahamba ngonyano.

UDisemba uthetha ukuba ibhonasi yisebenzise ngobulumko - ndiyabemba uyenzile koo nto. Khumbeni kakho ubomi abupheli ngoDisemba. UJanyuwari uza kufika kunelele ukuba kubathale imali zesikolo, uhande ungathandi - ngoko oko xa usebenzisa imali kwenze oko ngobulumko.

Okubuleke kakhulu kukuba abafundi bematshini bowa-2011 baza kuzichitha iiholide bezama ukukhupha uhlale leziphumo zeezimvo zabo. Sibangwenisele impelelo.

Kwabo baba kuba sendleleni - nincinde nincindelele kakhulu ubomi lwenu, nincindelelele ukufundana uNyaka Omshina kuba ingozi zendlela ziza kwenzeka. Ngelishwa abantu baba kusweleka, ngoko oko zama ukuba ungabingonyeni wenani kulo Disemba.

Owul! Nodaphantsi ndalaba ukuthi zenincede nityilinde impendulo yoyunyonini umluto noSAMU. Nibe nexesha elimandl!

Nanga nonke nginganeKresimes emandleni nonyaka wama-2012 omnyaka oziyelelo ezimle!

## Lixesha le-bowls nokufunda

Xa uncoloka noAdv. Werner Zybrands (67), uye umangaliswe lwulazi lwakhe lwemcimbi kamasipala.

Lo mlawuli kamasipala weOverstrand othathela umhlaphantsi waqashisa njengosobisa waseBrakpan esemncinci enama-30 eminyaka, kanti wayeka njengosobisa waseRoodtport ngowe-1987 eza kuba ngumcebisi kamasipala.

Wayeyintloko ye-Centre of Metropolitan and Local Governance kwinyunivesithi i-Rand Afrikaans (RAU) kwaye ungomye wabantu abambalwa abanikwa iwonga lobuprofesa benzenaso isidanga semfundo yobugqirha-lwazi.

Uyabrand njengomthetho onwendwelelo, phakathi kwezinye, kwinyunivesithi yaseSydney, eMingham neyaseMelbaw. Uyabrand waqashisa njengomphathi kamasipala weOverstrand ngowama-2008, kwaye isivumelwano sakhe sengosho saccacia ukuba siza kuphela emva kweenyanga ezintlandu emva kolonyulo loomasipala loma-2011.

Oko kuba kunika umasipala ihuba elanelo lokuqesha olandelayo, ngoko oko xa uzybrand ephuma e-ofisini yakhe ngewe-13:00 ngowama-30 Disemba uphuma namava eminyaka engama-44.

Ezinye zezinto ezibalaseleyo zexesha lakhe njengomlawuli kamasipala zingxelo zohlolizincwadi zemali ezingenachaphaza, iimbasa ezininzi ezilinyenwe ngumasipala kule minyaka idlulelo, ukuphucuka kobudlelwane noluntu nokugqitywa kweeprojekthi ezifana nokwakhiwa kwisiza sesithili, indlela egqitha ezeleni nokuphuculwa kwezibuko iKleinmond.

Ndibutshanda kakhulu umsebenzi wam. Yonke imihla ndiza emsebenzini ningenoma entliziyweni yam, luphele usuku intliziyu yam yanikeleli,"uthixo.

Kwintlanganisano yakhe yokugqibela yeBhunga uye umfanisane abantu bethobele bezinikezele

u-Adv. Werner Zybrands

kangangokuba uthe umasipala ukumgangatho olingana nowalo naliphi na iqela eMzantsi Afrika.

"Asisoloko sinoluntu olunombulelo kodwa ndiqinisekile uninzi lwabantu bayayithakazelela into esiyenzayo."

Uvolile xa ezinikezele kuCoenoe Groenewald iintambo. UGroenewald uqeshwe njengomphathi omshina kamasipala.

"Ndinqinisekile ukuba siyayifikelela injongo yethu yokuba iziko lokugqwesa."

Uzybrand uceba ukugqibela nomsbenzi wakhe wokucebisa, ekhethe ukwenza apha eNtshona Kapa ukwenza ukuba angahambi imigama emide ukusuka kwihlaya lakhe.

Ngaxalinye uza kuzigcina exakake zizinto ezininzi ezizezinye. Sele elilungu leCliff Path Management Group (CPMG) kuba uyakuthanda ukhamba elunxwemeni lwandle.

"Ndingca ukuba yenye yezinto zethu esinazo eyiyeyona inkulu," uthixo.

Uphinde wonyulwa njengolungu labalawuli beOverstrand ArtsKunste kwaye uceba ukubuyela ikhaya ye-bridge afunde ukudlala i-bowls.

Kwaye uluna ukufunda.

"Ndineendawo ezininzi endazifumana kule minyaka mininzi yadlulayo kodwa andalufumana ixesha lokuzifunda."

Phakathi kwezinye zezicwangciso zakhe uceba ukufunda incwadi engolani Smuts - indoda ayibona njengokuba lentleleke. Uyabrand ubothulela umqwazi abantu abafumane impu smelelo abaseleyo - nokuba bayaziwa okanye abaziwa. Ubulala abantu abafana nogqirha wogqirha-ntliyo uChris Barnard, injineli yeendlela uThomas Bain, umdlali wegalufa uGary Player, umbhali uCJ Langenhoven noningalwazi uMC Botha, i-immunologist kwigela labaqhathi-ntliyo likaBarnard.

Iqhawe lakhe nguLeonardo da Vinci kwaye kwinqokelela yakhe unenecwadi ezimbini ngale ndoda ayichaza njengenobuchopho obumangalisayo nezinzileyo.

Uzybrand unembali ende neHermanus kwaye weza apha eholideyini okokugqala ngowe-1961. "Yaba yiholideyi esemagqibini kuzo zonke!"

Emva koku wathi rhoqo etylelela wathenga indlu ngewe-1990.

"Abantu abaninzi bayandibiza ukuba ndiza kuhlala eHermanus. Ndingemkela ntoni? Yeyona ndawo imangalisayo elahabini. Ndinombulelo omkhulu kule ndawo nakubantu bayo."

Uzybrand nensokisi yakhe ubibele banabantwana abathandathu - oonyana abathathu neentombi ezintathu - nabazukulu abathathu oonyana oonyana.

Endaweni yesipho sikandelantle uzybrand ucele ukuba isipho semali sisebenzise ukugqala ingxowamali iHoopHoop. Wongeze ngokwakhe umhuhlo. He maliza kusetyenziswa ukuncede abasebenzi bakamasipala abasengxakini yemali ingeyompazano yabo.

Kuza kuwonga imeko zombenze ngamnye xa eze kuboleka kwaye ababolekileyo kuza kulindlela ukuba bayibuyisele besakuba nakho ukukwenza oko.

## Iqela elixhasa izigidi ezi-R3.5 zeyona dolophu icecekileyo

Abasemfanekisweni ababambe umfanekiso wetshehli yezigidi ezi-R3.5 ngumlawuli uRoderick Williams, umphathi kamasipala uWerner Zybrands, uSodolophu uNicolette Guthrie-Botha, uMlawuli uStephen Muller, uSekela-Mlawuli uMike Bartman noMlawuli wothutho-lwenkunkuma: Johan Van Taak.

"Kusisithethe ngoku ukunikezela iimbasa kwintlanganisano zeBhunga. Le ayiyom-basa yokugqala okanye eyokugqibela esiya kuyinikezela." I ibe ngamazwi kaSodolophu, uCebakulu Anton Coetsee, kwintlanganisano yeBhunga ebinqomela wama-22 Novemba 2011 ngokuba anike ihubha uSodolophu noMlawuli kaMlawuli ukuba bafumane iwonga kwigqela elibe nenxaxheba enkulu ekwini kukaMlawuli weOverstrand iMbasa kaZwelonde yowama-2011 yeyona dolophu icecekileyo.

Le mbasa phunyelele ngemva yentsebenziswano yabaphathi ngabaphathi bamasebe ahlukeneyo. Kukho abantu abaninzi abohlukeneyo abanobungcali

obahlukeneyo ababe negalelo ekwini kukaMlawuli weOverstrand le mbasa. Umlawuli uRoderick Williams uthi: "Kuyamangalisa ukunazisa ukuba nabantu nje bokuhlala nabe nenxaxheba enkulu. Ngabo abasebenza ngexandla zabo beco-ba ipaka, bethathi imigomo yenkunkuma kwimizizi ngemizi. Ucoo lwanamzi, ukuhanjiswa kombane nj nj nako kuba negalelo - masingalalali inani labantu ababe negalelo," uthixo.

Amanye amacandelo abe negalelo elimandla ziNkonzo zeZoluntu, iSebe leZibonelelo noYilo namasebe aphantsi kwawo. Umlawuli uRoderick Williams uthi:
