

## APPLICATIONS FOR GRANTS-IN-AID DURING THE 2013/14 FINANCIAL YEAR

Herewith the opportunity is presented to organisations and other institutions to submit applications to Overstrand Municipality for grants-in-aid for the purpose of supporting community projects in the municipal area financially in the course of the 2013/14 financial year.

Such applications will be considered in terms of the municipality's Grant-in-Aid Policy. This policy and the relevant application form are available on the Municipality's website [www.overstrand.gov.za](http://www.overstrand.gov.za) or can be requested from the Office of the Mayor/Communication Manager.

Projects that will be considered for a grant-in-aid should complement Overstrand Municipality's goals, objectives, programmes and actions. The objectives are to support external organisations in delivering services to communities which fall within the municipality's area of responsibility, to contribute towards community development and to form sustainable partnerships in order to achieve the objectives of the Municipal Business Plan as outlined in the IDP. The policy also provides for opportunities for joint funding strategies with outside agencies to meet the objectives of a developmental local government.

Categories which will be considered for a grant-in-aid include health, environment, solid waste (cleansing), social development and sport and recreation, but this list is not exhaustive and may be amended.

Applications should reach us **by no later than Tuesday, 2 April 2013**, at close of business, viz 16h00. The Municipality reserves the right not to allocate a grant-in-aid to any or all organisations applying for grants.

Direct enquiries to René du Plooy on 028 313 8002.
