12. MBD 9 – CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids² invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).³ Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

² Includes price quotations, advertised competitive bids, limited bids and proposals.

³ Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION:

In response to the invitation for the bid made by:

OVERSTRAND MUNICIPALITY

I, the undersigned, in submitting the accompanying bid, hereby make the following statements that I certify to be true and complete in every respect:

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
 - (a) has been requested to submit a bid in response to this bid invitation;
 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium⁴ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - f) prices;
 - g) geographical area where product or service will be rendered (market allocation)
 - h) methods, factors or formulas used to calculate prices;
 - i) the intention or decision to submit or not to submit, a bid;
 - j) the submission of a bid which does not meet the specifications and conditions of the bid; or
 - k) bidding with the intention not to win the bid.

⁴ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.

PART B – SPECIFICATIONS AND PRICING SCHEDULE

14. SPECIFICATIONS

Aim of these terms of reference:

- explain the rationale for initiating an Integrated Management Plan for Fernkloof Nature Reserve;
- explain the expectations of Overstrand Local Municipality from the consultancy and
- outline a proposed planning program for the preparation of the plan.

1. Definitions

In this Policy, unless the context otherwise indicates, a word or expression to which a meaning has been assigned in the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003), National Environmental Management: Protected Areas Act, 2003 (Act No. 57 of 2003) has the same meaning as in the Acts.

CFR – Cape Floristic Region
EMS – Environmental Management Section
FAB – Fernkloof Advisory Board
FNR – Fernkloof Nature Reserve
IMP – Integrated Management Plan
MSWord – Microsoft Word format
NEMA – National Environmental Management Act
OSM – Overstrand Municipality
PAA – Protected Areas Act
PPP – Public Participation Process
TOR – Terms of Reference

2. Introduction*a. Context and History of Fernkloof Nature Reserve*

Fernkloof Nature Reserve (from here on known as FNR) is situated in Hermanus, located in the Overstrand Municipality (from here on known as OSM), Western Cape. The reserve was established in 1957 and since then has grown to an approximate size of 1800 ha. FNR consists mainly of mountainous terrain and to a lesser extent lowlands, forests and estuarine wetlands. Due to the absence of a dedicated reserve manager for a ten year period the Fernkloof Advisory Board and the Hermanus Botanical Society together with the Environmental Specialist of the OSM took emergency control measures where needed. Fortunately OSM approved a manager's position in 2009 after which a reserve manager was appointed in July 2009. Due to it being an urban reserve it has a large stakeholder group from whom the reserve receives ad hoc funding. However a restricted budget is provided by the OSM for operational and other management functions in the reserve.

b. Motivation

The current reserve management plan was written in 2001 and is in need of revision, updating and approval. The current management plan is not inline with the National Environmental Management: Protected Areas Act (2003) therefore this management planning process has been implemented cognizant of the requirements of this Act.

National Environmental Management: Protected Areas Act (2003) requires that all nature reserves are managed by an Integrated Management Plan (from here on known as the IMP). A five year IMP is geared towards achieving the identified goals and objectives as recognised by the management authority and various stakeholders. The process includes the close collaboration with the staff of the Environmental Management Section (from here on known as EMS) of the OSM, specifically the reserve manager as well as the Fernkloof Nature Reserve Advisory Board. The OSM will provide a limited budget in the 2011/2012 financial year for the creation of an IMP.

This project seeks to solicit professional services for the preparation of the Fernkloof Nature Reserve Integrated Management Plan.

3. Scope of the Consultancy:

a. Outcome of the Project

This will be done according to the provided Biodiversity Stewardship Reserve Management Plan Template. The following outputs must be delivered upon in the IMP:

 - Development Plan - This part of the document is essentially a broad five year development plan. The development must relate to the complete protected area. Zoning of the existing area as part of the proposed final area precedes a master plan for development. This will be linked to the activities identified the Business Plan.
