## **Quotation No SC 888 /2010** **Specifications For The Sale Of Various Scrap Items -**

The Overstrand Municipality has available for sale various metal, water, electrical, cement and other scrap items.

The goods will be available for inspection as per Scrap Item List, at the various municipal sites.

### **General Terms and Conditions of Sale:**

1. Overstrand Municipality awaits Closed Price Quotations from interested parties for **the total quantity per line item, to be quoted per item number, as listed on the Pricing Schedule for Scrap Items.**
2. Sealed quotations, with “**Quotation No SC 888 /2010**” clearly endorsed on the envelope, **must be deposited in the tender box Number 6** at the offices of the Overstrand Municipality, Magnolia Avenue, Hermanus. **The Closing Date and Time for Quotations will be at 12h00, on 25 June 2010.**

Any quotation received after the appointed time for the closing of quotations shall not be considered but shall be filed unopened with the other Tenders received or may be returned to the Tenderer at his request.

**3. Please Note:**

- Quotations that are deposited in the incorrect box will not be considered.
- Tender box deposit slot is 28cm x 2.5cm.
- Mailed, telegraphic or faxed quotations will not be accepted.

4. Quotations shall be opened in public at the Hermanus Municipal Offices as soon as possible after the closing time for the receipt of quotations. Alterations or deletions not signed by the Tenderer may render the quotation invalid.
5. Prices quoted must be valid for 60 days after the closing date of the Quotation.
6. Prices quoted will be VAT Inclusive.
7. All scrap sold must be removed from the site within 72 hours of the quotation being awarded.
8. **Important:** The tenderer will be required to have the bare copper and covered copper cable weighed at the weighbridge of Walker Bay Recycling in Hermanus in the presence of an authorised person prior to leaving the Hermanus Area. The cost of the use of the weighbridge by the successful tenderer, charged at the standard weighbridge tariffs of Walker Bay Recycling (contact number – 028 312 2035) will be for the account of the successful tenderer.

**9. The tenderer must submit the following documentation:**

When quoting on scrap copper items, a certified copy of the registration as an accredited dealer in second hand goods and materials;

The tenderer must submit an original, valid tax clearance certificate when required;

The tenderer must fill in, sign and submit the attached documents, MBD1, MBD 4 & MBD 8 with the quotation;
