

TENDER SC560/2009 - SUPPLY AND DELIVERY OF 5 ONE TON LIGHT DELIVERY VEHICLES FOR OVERSTRAND MUNICIPALITY

STANDARD SPECIFICATIONS

1. The cost of the licence/registration and number plates must be included in the tender price.
2. Colour: white.
3. All vehicles fitted with Vigil Netstar Tracking System, similar to the one used by the Overstrand Municipality.
4. All wheels to be fitted with mud flaps.
5. Corrosion protection (at least 3 years).
6. Guarantee spares and services to be specified.
7. Preference will be given to authorised service dealers within the area of jurisdiction of the Overstrand Municipality.
8. The successful tenderer must deliver vehicle within ninety (90) days after order date. If tenderer do not comply, tenderer will be responsible to supply a similar vehicle for his own account, to be used by Overstrand Municipality, until tenderer is able to deliver vehicle. To deviate from this in certain instances, a clearly marked letter of application must be submitted with tender.
9. Tenderers must be an accredited member of the Retail Motor Industry (RMI) organization and/or an accredited member of the National Automobile Dealers Association (NADA). A copy of membership certificate must be submitted with tender.
