GRANT-IN-AID POLICY

In terms of:
Section 67 of the
Municipal Finance Management Act, 2003.
(Act 56 of 2003)

PREAMBLE

And whereas a policy would give guidelines as to which categories of organisations could apply to become beneficiaries;

Now therefore the Municipal Council of the Overstrand Municipality adopts the Grant-in-Aid Policy as set out in this document:

1 INTRODUCTION

For the purpose of this policy '*Grant-in-Aid*' means the donation of municipal funds, to an organization or body outside any sphere of government, which does not constitute a commercial or business transaction.

2 LEGAL FRAMEWORK

All transfers of funds in terms of this policy shall comply with the:

- (a) Constitution of the Republic of South Africa, 1996 as amended (Constitution);
- (b) Local Government: Municipal Systems Act, 2000 (Act 32 of 2000) as amended (MSA);
- (c) Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003)(MFMA); and
- (d) Any other applicable legislation, regulations and policies that may govern the transfer of municipal funds and that are not in contradiction to the above.

The power of the Municipality to make grants in aid is regulated by section 156 of the Constitution as read with section 8 of the Municipal Systems Act (MSA), Act 32 of 2000. These provisions limit the power to make grants-in-aid to circumstances where it is reasonable and necessary for or incidental to the functions and exercise by the municipality of its powers.

The powers and functions of municipalities are set out in section 156 of the Constitution as read with parts B of Schedules 4 and 5 to the Constitution; annexed as **Annexure A**.

Any grant made that does not conform to the abovementioned requirements is irregular expenditure in terms of the Municipal Finance Management Act (MFMA) and could also be considered in some circumstance as unauthorised. These funds would therefore have to be recovered from the person liable for the expenditure in terms of section 32 of the MFMA.

Section 16(2) of the MFMA provides that a Mayor of a municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year. Section 17(3)(i)(j) of same stipulates that when an annual budget is tabled in terms of section 16(2), it must be accompanied by the particulars of any proposed allocations or grants to any organisation or body referred to in section 67. Before transferring funds in terms of the Grant-in-aid Policy, the provisions of section 67 of the MFMA must be complied with.

3 PURPOSE

Within the legislative framework, the purpose of this Policy is to complement the goals, objectives, programmes and actions of the Overstrand Municipality in order to create a sustainable, credible and caring Municipality by empowering and building communities and enhancing growth and sharing through partnerships.

4 OBJECTIVES

Grants-in-Aid should improve the opportunity for the Municipality to elicit the

support of external organisations to deliver those services to communities which fall within the Municipality's area of responsibility in a way that allows the municipality to create an enabling environment for community development and partnerships.

A key objective is to provide the opportunity of creating sustainable partnerships with outside agencies to achieve the objectives of the Municipality's Business Plan as outlined in the Integrated Development Plan.

It should also provide the opportunity for developing methods of joint funding strategies with outside agencies such as matching funding or sponsorship partnerships to meet the objectives of developmental local government.

Grants-in-Aid should not duplicate operations already provided by Council in the jurisdiction of the municipality, but rather compliment such operations where possible.
